SUBJECT: ASSEMBLY BILL 67

This Information Bulletin transmits copies of information related to Assembly Bill (AB) 67.

The intent of AB 67 is the coordination of local employer outreach efforts aimed at reducing duplicative contacts with local employers. The attached Electronic Field Office Directive (E-FOD) 97-108 establishes policy and procedures related to AB 67 and the Employment Development Department's (EDD) role in coordinating the development of local county plans that include County Welfare Departments, Service Delivery Areas, and community college districts/campuses.

We encourage SDAs to work with EDD and the other local partners, to develop practical plans that reflect the strengths of each partner. These plans should describe the coordination efforts aimed at reducing duplication of effort and enhancing the overall job development activities in each county.

If you have any questions or concerns, please call Vicki Mott at (916) 654-9721.

/S/ BILL BURKE
Acting Assistant Deputy Director
